Banksia Park Primary School

EXCELLENCE, EQUITY AND PARTICIPATION
Location

Banksia Park Primary School is a modern, air-conditioned facility located in the southern suburb of Leeming. Banksia bushland, from which it takes its name, surrounds the school imparting a peaceful ambience.

Aims and Values

The school offers an outcome focussed, broad educational curriculum supported by an enthusiastic and skilled teaching staff. Specialist teaching streams challenge and extend our students. We promote excellence, equity and participation. Banksia Park Primary School is strongly committed to the eight learning areas.

We value and encourage a positive, caring environment.
Music

The school has an outstanding band programme which has achieved many notable successes, earning a nation-wide reputation for excellence.

The music programme includes three concert band and choir.
All students receive class music tuition.

Art

In a fully equipped studio, the art programme involves all aspects of visual arts including textiles, painting, claywork, ceramics, sculpture and drawing.
Artwork is featured throughout the school and at public exhibitions such as Art Blast.
Japanese

Japanese is offered to all children in years 2-7. The programme provides students with an opportunity to communicate effectively in Japanese. Students gain a respect for the language and Japanese culture.

Environmental Studies

To prevent the bushland surrounding the school from being slowly degraded, a committee of staff and interested parents have commenced a re-generation programme involving students throughout the school.

Learning Technologies

The school has a modern computer laboratory, an automated library and classroom-networked computers, allowing access to the Internet and other shared learning resources. Students have access to printers, digital cameras and scanners. Learning technology gives our students ready access to changes in the technological world.
Strong Parent Commitment

A strong partnership exists between parents and the school which enhances the education offered to our students. Parents are encouraged and welcomed to participate in all aspects of school life.
